

AT LEAGUE PARK.

FOOTBALL TO-DAY BETWEEN TWO COLORED TEAMS.

At League park, Norfolk, to-day the famous colored football team from Shaw university, Raleigh, N. C., will meet the Columbia Athletic club football team, of Norfolk, and endeavor to raise North Carolina's banner from the dust, where it was trampled on Saturday last by the victorious boys of the University of Virginia.

The boys from "down home" will start in the game with strong hopes of victory, as their team is noted for its long line of battles on the gridiron without a single defeat scored against it.

The Shaw eleven holds the unique distinction of never having been scored against, and in 1897 the team tied the Columbias.

The latter at present hold the championship, having captured it last year from Wayland university by a score of 11 to 0.

Arrangements have been made for ample police protection, and the attendance promises to be large. A very desirable portion of the grand stand will be reserved for white people who wish to enjoy the game. Play will begin at 3 o'clock sharp.

The line-up of the teams will be as follows:

Shaw.	Position.	Columbia
Jones	Right End	Paige
Britton	Left End	Goude
Garland	Right Tackle	J. Banks
Campbell	Left Tackle	A. Banks
Williams	Right Guard	Clark
Calloway	Left Guard	Jackson
Love	Quarterback	C. Harrison
Hawkins	Left Back	A. Harrison
Penn	Right Back	J. Harrison
Jones	Full Back	Carter

Captains—Love, Shaw university; J. Harrison, Columbia Athletic club.

FOOTBALL AT Y. M. C. A. PARK.

The Tigers and the Monticellos will play a game of football at the old Y. M. C. A. park to-morrow. Both teams have been practicing pretty hard and a close and exciting game is looked for. The game will be called at 2:30 p. m. The line-up will be as follows:

Tigers	Positions.	Monticellos
Hall	L. T.	Norton
Small	L. T.	Blick
Ryan	L. G.	B. Bullock
Montague	C.	Fontone
Hawkins	R. G.	Gillette
Cannon	R. T.	Oberndorfer
Lee	R. E.	Turner
Lawler	Q.	Schanck
Paulette	L. H. B.	Bullock
Pond	R. H. B.	Trudewind
Owens	F. B.	Gardner

READY TO "PLAY BALL."

The Monticello football team is one of Norfolk's strong junior organizations that is doing good work on the gridiron. It is ready to meet any team averaging from 115 to 130 pounds. Master W. M. Oberndorfer, of 152 Bank street, is general representative of the team in the matter of challenges.

BRAMBLETON.

The annex to public school No. 1 will be opened Monday.

Rev. C. J. Jones, D. D., of New Bedford, Mass., former pastor of the Memorial Christian temple, arrived in Norfolk yesterday. He will preach the annual Thanksgiving sermon to his old flock at 11 a. m. today, the churches of Brambleton not having a like service at that hour and the public generally are cordially invited to join in this service and hear Dr. Jones.

The Sunday school of Trinity M. E. church will tender a formal reception to the pastor, Rev. George Wesley Jones, at the church at 8 o'clock to-night. A fine musical program will be rendered and addresses by the pastor and others will be made.

A large congregation greeted the Rev. C. J. Jones, D. D., former pastor at the Memorial Christian temple, last night. He preached an able and eloquent sermon. At the close of the service there was a general handshaking.

FAT BABY

Fat is the cushion that nature fills out and surrounds the little ones with, to protect their tender parts—the same with kittens and puppies—fat is not tender. Fat they must have; and fat they must be.

If your baby is anyway short of his rights, give him Scott's emulsion of cod-liver oil.

We'll send you a little to try if you like. SCOTT & BOWNE, 409 Pearl street, New York.

The delegates are trying to frame a constitution which will define the kind of government they hope to establish. After this is finished will come the election of a chief executive for the island. Manuel Sanguliy is the leader of the Republican party. Emilio Nunez, another prominent delegate, is governor of Havana province.

State Taxes Due.

This is the time for the state taxes. Mr. H. S. Herman was quite busy yesterday. The taxes for the state are assessed at the rate of 40 cents on the \$100, so that the amounts are not usually large, except in the case of the railway and steamboat corporations. The latter paid direct to the state treasurer in Richmond. However that is, the amount collected yesterday was \$10,000. There are but a few days in which the taxes can be paid without penalty. After December 1st there will be a penalty of 5 per cent. imposed.

Attention is called to the announcement of the New York, Philadelphia and Norfolk Railroad of special rates to Philadelphia to witness the game next Saturday between the West Point and Annapolis football teams. Round trip tickets, \$7.50.

TURKISH HOME MINISTER

ADVOCATES WAR WITH THE UNITED STATES.

(By Telegraph to Virginian-Pilot.) New York, Nov. 28.—Cable advices say that the Vienna Tageblatt publishes a dispatch from Constantinople to the effect that the Turkish Council of Ministers have held a conference to determine whether or not the sending of the United States battleship Kentucky to Smyrna should be regarded as an act of hostility. According to the Tageblatt's dispatch, the Home Minister urged the severance of diplomatic relations with the United States, and even went so far as to threaten war unless the Kentucky should be withdrawn from Turkish waters.

The ministers express the belief that the European powers would not permit the United States to attack Turkey, and that country, therefore, would be safe in taking a defiant attitude.

The Czar's Condition.

(By Telegraph to Virginian-Pilot.) Livadia, European Russia, Nov. 28.—The following bulletin was issued to-day by the czar's physicians:

"The emperor passed a good day yesterday. He slept an hour and a half. At nine in the evening his temperature was 98.2; pulse 68. He slept fairly well last night. This morning his majesty's condition and strength are satisfactory. His temperature at 9 o'clock was 96.4; pulse 68."

Old Steamboat Captain Dead.

(By Telegraph to Virginian-Pilot.) Quincy, Ill., Nov. 28.—Captain John D. Glenn, 90 years old, died here to-day. He commanded several Mississippi steamers in the early days, and once had a dispute with President Andrew Jackson, who was a passenger on Glenn's boat from Louisville to Nashville. Jackson tendered a \$10 note of the United States bank for his passage and Glenn declined to take it because General Jackson had just refused to renew the charter of the United States bank at Philadelphia.

THE CORNER ON CORN.

CHICAGO SHORTS WILL SETTLE WITH MR. PHILLIPS.

(By Telegraph to Virginian-Pilot.)

Chicago, Ill., Nov. 28.—Finding themselves unable to produce enough contract No. 2 corn to fill sales made to George H. Phillips for November delivery, the shorts, including several leading elevator firms, it was announced to-day on the Board of Trade, had agreed to settle their shortage at 50 cents. The announcement came as a great surprise to those traders who had "tailed" the Phillips operation. At the moment November corn was selling around 50 cents, 1 cent from the highest price on the deal. A rush to sell followed and the market made no halt until just before the closing bell, when it rested at 41 cents.

It is understood that those standing short to Phillips since he began gathering up offerings of November corn, about a month ago, exhausted every effort to secure enough No. 2 corn to fill their sales. The local stocks amounted to a trifle over one million bushels and the new crop of corn was too soft for delivery.

Plans were even considered to bring back a lot of corn from the east, but these were abandoned, and, as Phillips was upheld by the board of trade committee of appeals in his protest against a lot of kilt dried corn, the shorts finally late yesterday agreed to give over the fight and settle with Phillips at the even half dollar, where, it was apparent, the manipulators would have no trouble in holding the market.

Various estimates were hazarded as to the profits of the "squeeze." As Phillips is said to have accumulated a line of more than two million bushels around 35 cents it was admitted that his profits must have reached into the hundreds of thousands. On this point, Phillips was, however, entirely non-committal.

INTER-STATE COMMERCE.

COMMISSION DISMISSES A PETITION INVOLVING VIRGINIA POINTS.

(By Telegraph to Virginian-Pilot.)

Washington, Nov. 28.—The interstate commerce commission to-day dismissed the petition for re-hearing in the case of the city of Danville, Va., against the Southern Railway company, and others, decided last February against the railroad company. The original decision held that the freight rates between the west and Danville should not be more than 15 per cent. above the rates to Lynchburg, and that freight rates for northern and eastern cities, and rates on certain commodities from New Orleans to Danville should not exceed those to Lynchburg by more than 10 per cent. The Southern Railway claims that to obey the decision would cause it a total loss of over \$123,000 per annum, through necessary changes at other points.

Referring to the claim of the company that its \$120,000,000 of common stock paid no dividend in 1899, and that the order of the commission would deprive the owners of the stock of their property without due process of law, the commission says that the stock was issued as part of the reorganization scheme, under which the company came into existence, and it does not appear in testimony that anything ever was paid for it. The commission rules that it does not rest in the whim of a reorganization committee in Wall street to impose a tax upon that whole southern country; that the property of the railroad company should be most carefully protected, but the property of the citizens of Danville is just as sacred as are the securities of the railway company.

GOVERNOR McCORD

Recommends Pe-ru-na For Catarrh.

Hon. M. H. McCord.

Hon. Myron H. McCord, Ex-Governor of New Mexico, in a letter to Dr. Hartman, from Washington, D. C., says:

Dear Sir—At the suggestion of a friend I was advised to use Pe-ru-na for catarrh, and after using one bottle I began to feel better in every way. It helped me in many respects. I was troubled with colds, coughs, sore throat, etc., but as soon as I had taken your medicine I began to improve and soon got well. I take pleasure in recommending your great remedy to all who are afflicted with catarrh.—M. H. McCord.

The spring presents a much more favorable opportunity for the permanent cure of chronic catarrh, especially old, stubborn cases. Now is the time to begin treatment. Insist upon having Pe-ru-na. There are no successful substitutes for this remedy. Send to Dr. Hartman, Columbus, Ohio, for a free catarrh book.
